## Comprehension - Practice 23

The kids are looking for the bugs. They see an ant. The ant has a hill. They see a ladybug. It is red and has black spots. They see a spider. The spider is fat with thin legs. The spider makes a web. A butterfly is out too. It has big wings. The wings go flap. Now they see a yellow and black bug. It is a bee. It can buzz. It can sting. The kids did not go near this bug.
